Water Heater Identification Guide

Welcome,

Washington Home Doctors can provide an **Accurate Phone Quote** to replace your water heater. With over 35 years in Water Heater repairs and installations, we've devised an Accurate Speedy System to provide our customers with a **No Surprise Phone Estimate.**

Just provide the requested information shown in the **three easy steps** of this guide. If your home or business's Hot Water Heating demand has changed, please also indicate that change for us to provide the replacement suitable to your needs.

Once completed, send your water heaters information to:

Text: **(240-375-8244)** or

Email: **Info@HotWaterExpress.com**
and receive your accurate quote for the replacement.

EASY AS 1, 2, 3

PHOTO ONE

TAKE AN OVERALL PICTURE OF YOUR WATER HEATER SHOWING THE SPACE ON BOTH SIDES OF THE WATER HEATER AND ALSO SHOWING AS MUCH AREA ABOVE IT.
